Re: Campus building closures and restrictions

Wildcats (staff, students and faculty),

The below list is the planned building/area closures to help ensure that Linfield University is in compliance with the State of Oregon directives intended to limit exposure risk through reduced interactions and social distancing. This will be in effect as of Monday morning, March 30, 2020 at the latest (large programming changes take some time to be entered and for the system to process).

If you find that your ID card or fob is not allowing you access and it should, please
